PROCEEDS from this AUCTION

The major thrust of this year's auction will support the "Field of Dreams" project (new Little League Fields) and equipment for the Southern Aroostook Minor Hockey Association (SAMHA).

Other projects to be supported this year are: Dollars for Scholars (SAD 29, SAD 70, SACHS), Cary Library, Salvation Army, Student Recognition Day, and the Rotary Youth Exchange. In addition, the Auction will support the Boy & The Boot fund of Houlton Regional Health Services Foundation and will sell chairs for the Houlton Community Arts Center as well as Rotary International Projects.

The Houlton Rotary Club wishes to express its thanks to our area advertisers, contributing businesses, patrons, bidders and news media for their continued support in making the Radio/TV Auction a success.

A Special Thank You to Polaris Cable Services, WHOU and Pioneer Wireless for the equipment set up at Watson Hall for TV, Radio and Internet broadcasting, and to Dead River Oil Company for their donation of \$500 of #2 Fuel Oil for the drawing to be held the final night of the auction, 11/25/09.

ARE YOU LOOKING FOR AN OPPORTUNITY TO NETWORK WITH BUSINESS LEADERS AND PROFESSIONALS FROM THE GREATER HOULTON AREA?

Do you want to use your energy and creativity to make a difference in your community while also providing strength to international aid programs?

Have you been searching for an avenue to learn continuously about the region where you live and the issues changing the world around us?

WHAT IS ROTARY?

Rotary is a worldwide, non-profit organization comprised of business and professional leaders who provide humanitarian service, encourage high ethical standards in all vocations, and create goodwill in our community and throughout the world.

In Houlton, Rotary meets on Mondays at noon in Watson Hall. For one hour, business people, community leaders, and guests come together to share lunch, network, and build lasting relationships.

Rotarians tap into the world around them through guest speakers who offer presentations on a broad spectrum of topics ranging from community projects to alternative energy sources. Over the years, Houlton Rotary has welcomed governors, senators, economists, and even world-record holders to weekly meetings as guest speakers.

ROTARY INTERNATIONAL

Rotary's scope extends beyond the local level. It is the world's first international service club with over 1.2 million members. There are 33,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and creeds.

Rotary International uses a portion of funds generated at the local level to champion global causes, such as the eradication of polio, the creation of schools and hospitals, and funding disaster relief.

Former Houlton Rotary President, Fred Grant, addressing the club during a weekly Monday meeting at Watson Hall while officers look on (Clark).

SERVICE ABOVE SELF

Though networking and learning about current

events are key benefits of membership, Rotary's primary goal is to improve the community and world by raising money for local and global projects.

Since 1920 when Houlton Rotary was established and received its charter, the organization has been changing the landscape and fabric of our community by funding building projects and supporting causes important to all of us.

Through fundraisers, such as the Annual Radio Auction and local bingo events, Rotarians have generated money to build area playgrounds and provide college scholarships while also supporting various programs and developments.
