**TO PLACE A BID DIAL: LOCAL 532-4585 • STATEWIDE TOLL-FREE 1-866-348-4077**

**TO BID GIVE:**

1. NUMBER OF THE ITEM
2. AMOUNT OF YOUR BID
3. YOUR NAME
4. YOUR ADDRESS AND TELEPHONE NUMBER

Your bids will be announced over the air as soon as possible. Items will go by number. Keep this special section handy for ready reference.

ITEMS ON EACH PAGE will be on auction during each 30 minute period. At the end of that time, they will be sold to the highest bidders. The successful bidders will then report to the auction storeroom at their earliest convenience and pay for the items. They, in turn, will receive the items at the storeroom or will receive a slip indicating the item has been paid for and will be able to pick up the item at the donor's place of business.

The Auction Storeroom this year is being sponsored by **Katahdin Valley Health Center**. It is located in **Watson Hall at the rear of the Episcopal Church on Main Street**. See storeroom hours on page 4. The Storeroom Telephone Number is 207-532-4620

## PROCEEDS from this AUCTION

The major thrust of this year's auction will support the Just for Kids playground, Aid for Kids organization, Backpacks for Kids Project and the SADC welcome sign.

Other projects to be supported this year are: Dollars For Scholars (SAD 29, SAD 70, SACHS, SAD 14, GHCA), Cary Library, Salvation Army, Student Recognition Day, and Rotary Youth Exchange. In addition, the auction will support the Boy and the Boot Foundation of the Houlton Regional Health Services Foundation. We also support Rotary International Projects.

The Houlton Rotary Club wishes to express its thanks to our area advertisers, contributing businesses, patrons, bidders, and news media for their continued support in making the Radio/TV Auction a success.

A Special Thank You to Polaris Cable Services, WHOU and Pioneer Wireless for the equipment set up at Watson Hall for TV, Radio, and Internet broadcasting, and to Dead River Company for their donation of \$500 of #2 fuel oil for the drawing to be held the final night of the auction, 11/23/11.

### WHAT IS ROTARY?

Rotary is a worldwide, non-profit organization comprised of business and professional leaders who provide humanitarian service, encourage high ethical standards in all vocations, and create goodwill in our community and throughout the world.

In Houlton, Rotary meets on Mondays at noon in Watson Hall. For one hour, business people, community leaders, and guests come together to share lunch, network, and build lasting relationships.

Rotarians tap into the world around them through guest speakers who offer presentations on a broad spectrum of topics ranging from community projects to alternative energy sources. Over the years, Houlton Rotary has welcomed governors, senators, economists, and even world-record holders to weekly meetings as guest speakers.

### ROTARY INTERNATIONAL

Rotary's scope extends beyond the local level. It is the world's first international service club with over 1.2 million members. There are 33,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and

creeds. Rotary International uses a portion of funds generated at the local level to champion global causes, such as the eradication of polio, the creation of schools and hospitals, and funding disaster relief.

### SERVICE ABOVE SELF

Though networking and learning about current events are key benefits of membership, Rotary's primary goal is to improve the community and world by raising money for local and global projects.

Since 1920 when Houlton Rotary was established and received its charter, the organization has been changing the landscape and fabric of our community by funding building projects and supporting causes important to all of us. Through fundraisers, such as the Annual Radio Auction and local bingo events, Rotarians have generated money to build area playgrounds and provide college scholarships while also supporting various programs and developments.

### SHORT-TERM YOUTH EXCHANGE

The club also provides funding and leadership to an international student exchange program that benefits area youth. Each year, Rotary sends at least two students from area schools on a six to eight week foreign exchange. The program also allows the foreign host students to
